

OUR LEARN TO SKATE,

It is an excellent introduction to ice skating for everyone. Our highly qualified coaches are registered with the United States Figure Skating Assoc. and have extensive backgrounds with hockey and figure skating instruction. Skaters will learn in a fun and exciting way the needed basic skills to enjoy all aspects of skating whether it is for youth hockey, figure skating, or just for fun.

All skaters will be registered with the U.S.F.S.A. and will receive a "skater's kit" containing materials to track their progress throughout the program. Each lesson will consist of 25 minutes of instruction as well as 25 minutes of "supervised" practice time. Testing is performed during the 7th week and the 8th class is for "Family & Friends" open skate! A fun way to show your friends what

you have learned!
